Re: RESOLUTION REGARDING REUSE OF FOOD PROCESSING BY-  
PRODUCTS WITHIN STANISLAUS COUNTY

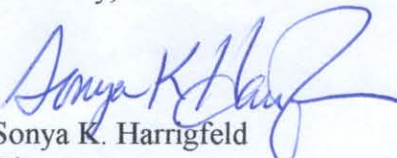

Dear Ms. Wyles:

We appreciate the opportunity to comment on the "Tentative Resolution Regarding Reuse of Food Processing By-Products Within Stanislaus County". As you know, Stanislaus County has been involved in the reuse of food processing by-products for many years. The approach proposed in the tentative resolution is a significant improvement over the two previous draft waivers.

Attached are the County's specific comments on proposed changes to the language of the resolution. Please accept the attached document as a part of our official comments. The County has also included a revision of "Stanislaus County Food Processing By-Products Use Program" dated May 2006. The May 2006 revisions contain the previous recommendations made by you and your staff.

If you have any questions regarding my recommendations please contact me.

Sincerely,

Sonya K. Harrigfeld  
Director
